

## Growing Green!

As our garden here at KPFB is starting to grow greens, we are reminded about how important it is for us to care for the peninsula by recycling, going digital, and utilizing past best date foods for our farms and mulchers.

We at KPFB have been dedicated to zero waste for a long time, and now we want to grow as a food bank and go even more green by decreasing our paper use. Join us at KPFB as we "grow" green! This spring, sign up for email correspondence, find information online instead of through paper brochures, and give digitally! Sign up for digital only communication by emailing us at [info@kpfoodbank.org](mailto:info@kpfoodbank.org), and check out our website at [kpfoodbank.org](http://kpfoodbank.org) where you can find information about our programs, volunteering, and donating!

Thank you for taking this step with us, and for all your support!

# YOUR GIFTS TO OUR NEIGHBORS ARE AMAZING!

**W**ith the food and fuel prices rising, and the need for food more pressing than in months past, your help has become more important than ever! So far this year, you have contributed to helping thousands of people across the peninsula. In fact, on April 12th, your support helped us and the Anchor Point Food Pantry feed over 180 people in just one day!

*"I am not alone in the struggle to make ends meet the food bank provides for so many people in our community. Never thought I would be in this position in my lifetime. But I am widowed and recently retired, my SS only goes so far. I am so grateful for the weekly support of the food bank to help keep my head above water. Thank you!" ~ Your Neighbor In Anchor Point*

## WHAT IS NEIGHBOR DAY?

May 4th is Neighbor Day and we want to celebrate with a day to encourage people to do good for our neighbors.

Neighbors are the people who come to us for help. Hunger doesn't just affect the people hundreds of miles away, it affects the people next door, our family and friends, our neighbors.

## WHO ARE MY NEIGHBORS?

## How can I help?

Join us in lending our neighbors a helping hand by donating, volunteering, and spreading awareness now through May 4th!
