

Growing Green!

As our garden here at KPFB is starting to grow greens, we are reminded about how important it is for us to care for the peninsula by recycling, going digital, and utilizing past best date foods for our farms and mulchers.

We at KPFB have been dedicated to zero waste for a long time, and now we want to grow as a food bank and go even more green by decreasing our paper use. Join us at KPFB as

we "grow" green! This spring, sign up for email correspondence, find information online instead of through paper brochures, and give digitally! Sign up for digital only communication by emailing us at info@kpfoodbank.org, and check out our website at kpfoodbank.org where you can find information about our programs, volunteering, and donating!

Thank you for taking this step with us, and for all your support!

Scan the QR Code or click the button below to give online today!

June 1st
Starting at 10am

June 14

YOUR GIFTS TO OUR NEIGHBORS ARE AMAZING!

With the food and fuel prices rising, and the need for food more pressing than in months past, your help has become more important than ever! So far this year, you have contributed to helping thousands of people across the peninsula. In fact, on April 12th, your support helped us and the Anchor Point Food Pantry feed over 180 people in just one day!

"I am not alone in the struggle to make ends meet the food bank provides for so many people in our community. Never thought I would be in this position in my lifetime. But I am widowed and recently retired, my SS only goes so far. I am so grateful for the weekly support of the food bank to help keep my head above water. Thank you!" ~ Your Neighbor In Anchor Point

WHAT IS NEIGHBOR DAY?

May 4th was Neighbor Day and we celebrated by encouraging people to do good for our neighbors.

Neighbors are the people who come to us for help. Hunger doesn't just affect the people hundreds of miles away, it affects the people next door, our family and friends, our neighbors.

WHO ARE MY NEIGHBORS?

Thank you!

Thank you to everyone who joined us in lending our neighbors a helping hand by donating, volunteering, and spreading awareness!

EVENT REMINDER

FISHING FOR SUPPORT

THANKS FOR JOINING THE CREW! Partnering to build a better Anchor Point!

Thank you to everyone who donated to APFP's **Fishing for Support** fundraiser and dinner on April 27th! Almost \$20,000 was donated to help APFP put up a permanent building to help those in need in Anchor Point!

THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER.

Please consider giving to the organization(s) that you feel compelled to support. Pick Click Give approved organizations all strive to make our communities better places for everyone to live. All donations are tax deductible and donors will receive tax documentation from the State once the donation has been processed. Permanent Fund Dividend applications are available until March 31, though Alaskans can choose to add or adjust their pledges online until August 31. File for your PDF or add a pledge at pfd.alaska.gov

Have you considered?

Email communication helps to reduce postage costs, and can be fiscally and environmentally responsible. We try to communicate with donors through email as much as possible. If you aren't receiving emails from us, but would like to, please contact lmurray@kpfoodbank.org
