Dear Kenai Peninsula Food Bank Supporter,

Thank you for your unwavering generosity - it truly fuels our mission and fills the bellies (and hearts) of thousands across the Kenai Peninsula every year. As one neighbor shared, **"The food bank has always been there whenever I've needed it, and my senior box helps me tremendously. No matter who you are or what you have, they are always ready to help."**

Our 30th Annual Soup Supper will take place on Saturday, August 23, 2025, at the Soldotna Regional Sports Complex Field House. Doors open at 5:00 PM. Program beings at 6:00 PM. This signature event isn't just our main fundraiser - it's a joyful celebration of community and commitment, dedicated to ensuring that no one goes hungry.

Please take a moment to explore our 2025 sponsorship opportunities. With partners like you by our side, we're confident that together we can keep serving hope, one bowl at a time.

Thank you for considering a contribution to our 30th Annual Soup Supper! Though times remain challenging, the compassion and generosity of our wonderful community continue to ensure that our neighbors do not go hungry.

Warm regards,

Kenai Peninsula Food Bank Board of Directors
