Welcome Johna!

The Kenai Peninsula Food Bank is pleased to announce the appointment of Johna Beech as its new Executive Director

Sean O'Reilly, KPFB Board President, and Johna Beech, Executive Director

Thank you so much to the Kenai Local Food Connection and everyone who helped to put together this year's **Harvest Moon Festival!** Kenai Peninsula Food Bank was happy to attend this wonderful event again this year and the turnout was amazing. It was so great to see so much of the community and especially fun to help make slime with the kids who visited KPFB's booth!

Freedom From Hunger Community Food Drive

This brand new Food Drive saw pick up locations in 8 different grocery stores and brought approximately 2,800 lbs of food items and \$600 monetary donations in to the Kenai Peninsula Food Bank! Thank you to all the help from Tami Larson and volunteers for coordinating this fantastic Food Drive!

All volunteers, staff and board members at KPFB's 2025 Soup Supper Fundraiser

Thank you to everyone who helped make the Kenai Peninsula Food Bank's 30th Annual Soup Supper Fundraiser event a success this year! Every person and organization that donated, volunteered, sponsored, attended or bid on an auction supported their community and helped make it possible for KPFB to continue to feed people throughout the Kenai Peninsula, because no one deserves to be hungry. Thank you so much for a fantastic event!

KPFB Garden

Over 750lbs of fresh vegetables and produce grown in the KPFB Garden, harvested and served in the Fireweed Diner and through Direct Service to individuals and families

The Garden at Kenai Peninsula Food Bank continues to improve year after year. This summer we owe a huge thank you to Home Depot's Team Depot who chose KPFB to be the beneficiary of their special community project. Community Captain Aaron Heppler and his team, along with some of our own Praying Pelican and Garden volunteers brought this vision to life!

Now!

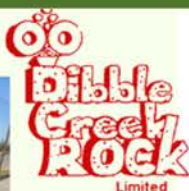

Food Bank

Thank you to Team Depot for supplying all the tools, materials and knowledge to get these beautiful garden beds put together.

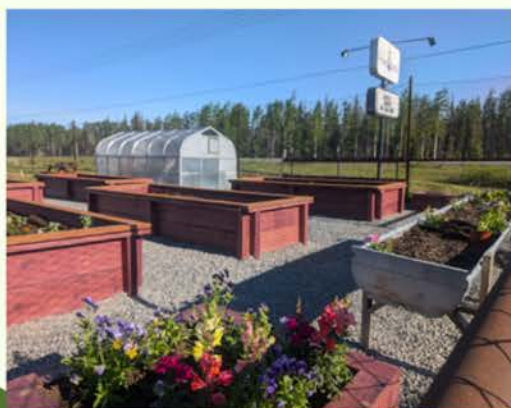

We also want to thank Spenard Builders Supply who donated Typar to help keep weeds out of the area and Dibble Creek Rock Ltd for donating 2 large loads of gravel to fill the area!

Then...

Kenai Peninsula Food Bank could not do everything it does without the generous donations given, special projects provided, time volunteered and the amazing support of the community. We appreciate it so much!

Thank you Volunteers!

We can't thank our volunteers enough for all the things they help KPFB with! Everything from daily service in the Fireweed Diner to planting projects to dishwashing to events and so much more. We absolutely could not do it without you. Thank you so much for your time and energy giving back at the Kenai Peninsula Food Bank.

Thank You
